PROPERTY LETTINGS

Coronavirus (COVID-19) – working remotely but here when you need us:

When directed by the Government we moved seamlessly into working remotely, but continue to manage our client's properties, process rental payments and manage urgent repairs as permitted.

Although we are not permitted to physically show property most now have virtual tours which link to our YouTube channel.

LANDLORDS: Your rents will continue to be processed and statements generated. If there are problems with your property these will be dealt with as swiftly as possible with the safety of tenants foremost.

For **URGENT ISSUES** please email us at nplettings99@aol.com and we will respond as quickly as possible.

NON URGENT ISSUES: For issues relating to statements / maintenance queries etc please email jennymunro@nationwidepropertylettings.com

MANAGEMENT / LANDLORDS: If any landlords have queries please contact Gary initially by email gary@nationwidepropertylettings.com

**Thank you for your continued support of our business
