PROPERTY LETTINGS

Coronavirus – we are still here when you need us and responsive as always:

Our office is staffed every weekday and new remote working arrangements mean that we also have colleagues working from their home offices with full access to our phone systems and data to manage properties, maintenance requests and viewings (which are carried out in a Covid safe manner).

LANDLORDS: Your rents continue to be processed and statements generated. If there are problems with your property these will be dealt with as swiftly as possible with the safety of tenants foremost.

As always for any issues please email us at nplettings99@aol.com and we will respond as quickly as possible.

NON URGENT ISSUES: For issues relating to statements / maintenance queries etc please email jennymunro@nationwidepropertylettings.com

MANAGEMENT / LANDLORDS: If any landlords have queries please contact Gary initially by email gary@nationwidepropertylettings.com

**Thank you for your continued support of our business
