

**Nationwide**  
PROPERTY LETTINGS

---

## **Coronavirus – we are still here when you need us and responsive as always:**

**Our office is staffed every weekday and new remote working arrangements mean that we also have colleagues working from their home offices with full access to our phone systems and data to manage properties, maintenance requests and viewings (which are carried out in a Covid safe manner).**

### **TENANTS:**

**PLEASE report all maintenance issues as normal and please allow contractors to work without close interaction for your protection and theirs. They will wear a mask whilst attending and will use keys unless you have informed us in advance that you are infected or self-isolating.**

**For MAINTENANCE items please email us at [nplettings99@aol.com](mailto:nplettings99@aol.com) and we will respond as quickly as possible.**
